

## METAL INDUSTRIES PROVIDENT FUND (12/8/25718/1)

### CONTRIBUTION CERTIFICATE

#### **Fund member category factor for members who do not contribute to retirement savings but who are covered for risk benefits in the Fund**

The Regulations in terms of paragraph 12D(5)(a) of Seventh Schedule to the Income Tax Act, 1962, determines that a fund member category factor must be calculated for each fund member category under the Fund to be used to determine fringe benefits that is taxable as from 1 March 2016.

*(A fund member category is a group of members who are entitled to the same benefits and in respect of whom the same contribution rate is paid.)*

**Employer:** All Employers who are permitted or are required in terms of the Industrial Agreement to join the Fund.

**Fund member category:** All members contributing only towards uninsured death lump sum benefits.

**Year of assessment:** Applicable for the tax year commencing on 1 March 2021.

**Fund member category factor:** 1,5%

No member data is required to calculate the various component factors which are set out in the following table (as the factors can be determined directly from the contribution rates and benefits in the rules of the fund)

Description	Factor	In terms of Rule:
